Summer 2011

Are you Sure that you are Covered?

The insurance industry is experiencing an exceptionally high volume of property claims, our companies are finding that properties are not always insured to value. It is very important to review policy limits with your broker annually and to keep them updated of any changes you make to your home. The insurance company requirements are very specific, thus, assuring you have the coverage required in the event of a loss.

Vacation Theft Prevention Tips

- ◆ Have a neighbour pick up your mail and newspapers
- ◆ Arrange for someone to mow your lawn
- ◆ Ask a neighbour to park a car in your drive way
- ◆ Ask a neighbour to take out your garbage and bring back the empty blue box
- ◆ Add motion detector lights to the exterior of your home
- ◆ Do not leave your name and vacation dates on your answering machine

You Want to Compare Pricing On Line?
We have an insurance quote system on line, that will give you an estimate on home and auto insurance costs. Visit our home page to get started, www.donovaninsurance.com

How is my rating determined ?

Where you live and your postal code are both critical pieces of information when determining your coverage and price. On line quotes are an efficient way to get an estimate, however, working with a broker can really cut through all the information and products to assure your individual needs are met. The primary reason for insurance coverage is to put you back in the same financial position you were in prior to your loss.

UMBRELLA POLICY

Just as an umbrella covers you from inclement weather, an umbrella policy covers holes you may have in your existing coverage. If you own a swimming pool, trampoline or ATV, or if you volunteer, let us know so we can help protect your assets. We'll be glad to tell you how an umbrella policy can work for you.

It has been a busy year at Donovan Insurance Brokers!

In the month of June we announced the sale of C. W. Tweed & Son Limited to Donovan-Tweed Inc. We have moved the Tweed business and employees into 72 Regina St. North in Waterloo.

We initiated on line quoting systems to meet your needs. For personal auto and home insurance as well as group auto and home insurance.

We were able to raise over \$35,000 in our local insurance hockey tournament to support local charities. We are currently running our Hole in One Campaign in concert with local radio stations; this campaign has historically collected over \$85,000 annually in charity contributions. We have made a contribution of \$10,000 to aid in building the new addition to the Lutherwood Child and Family Foundation.

We continue to find areas to improve our mission of going green. Moving our forms to digital has been successful, and we continue to look for opportunities to improve.

I hope that you get out to enjoy the summer !

Donovan Insurance Brokers
Big enough to know, small enough to know you!
